## **More Scholarships. More Students. Stronger Schools.**

At the Aim Higher Foundation, we're committed to helping children from low-income and working-class families access the life-changing benefits of a Catholic education. Our mission is to ensure all children, regardless of background, can attend a Catholic school.

The Aim Higher Foundation helps more children access the proven benefits of a Catholic education by making tuition more affordable at K-8 Catholic schools in the Archdiocese of St. Paul and Minneapolis. We provide \$1,000 scholarships to children from families with demonstrated financial need. Aim Higher Scholarships, once awarded, follow their recipients from kindergarten through 8th Grade. That is, once a child receives a scholarship, they will continue to receive an additional scholarship each year until they begin high school.
